

TECHNICAL INFORMATION

ORIGEN CAREX SYNAIR 46

Food Grade Compressor Oil

DESCRIPTION

ORIGEN CAREX SYNAIR 46 is a Synthetic Food-grade Compressor Oils, developed to deliver superior performance whilst ensuring food safety.

ORIGEN CAREX SYNAIR 46 is dedicated to reducing the risk of audit to meet compliance standards for both food safety and equipment performance

APPLICATION

- Specially designed lubricants for compressors and other equipment used in food processing.
- Suitable for circulating systems and vacuum pumps.
- Suitable for rotary, screw and hydrovane air compressors.

BENEFITS

- High performance synthetic base oils enable operation at elevated temperatures extending service life.
- Provides clean-performance benefits that not only improves machine efficiency, extends equipment life whilst lowering operating costs.
- Resists oxidative breakdown, providing longer-lasting protection against potential sludge and varnish build-up in equipment.

Meets the following requirements:

NSF H-1 ISO L-DAG ISO L-DAJ ISO 6743-3 ISO L-DAH

TECHNICAL CHARACTERISTICS

	Typical
NSF Registration	153783
Density at 20°C	0.84
Viscosity at 40°C cSt	46
Viscosity at 100°C cSt	8.1
Viscosity Index	145
Flash Point	>220
Pour Point	-39

20lt

*MSDS available on request.
